

Request for Investment

Gaelic language and culture strategic advancement

Overview

A Request for Investment may be submitted by a not-for-profit group that:

- supports the Gaelic language and cultural identity community in province in creating an environment that makes Nova Scotia a place where Gaels and Gaelic language and cultural identity communities thrive.
- works to advance the needs of the Gaelic language and cultural identity community in the province via, working to achieve results in the following areas:
 - significance, relevance, value and accessibility to Nova Scotia's Gaelic language and culture
 - quality of information pertaining to Gaelic language and culture
 - public knowledge and appreciation of Nova Scotia's Gaelic language and culture
 - impact on sustainable community and provincial development
 - satisfaction of constituents with programs and services
 - performance of staff and directors, including attitudes and conduct
 - relationships and partnerships with individuals, local and community organizations, government departments, sponsors, donors, educational institutions, and other organizations
 - condition of finances, including revenues and costs

Request supports Mandate

The Office of Gaelic Affairs provides Support4Culture funding to not-for-profit organizations for projects and initiatives that support the strategic advancement of Gaelic language and cultural development in Nova Scotia.

Projects and Initiatives may be awarded funding if they clearly demonstrate that they support the Office's Mandate:

Gaelic Affairs contributes to the development of Gaelic language and culture in Nova Scotia, so the culture, wisdom, heritage and traditions of Gaels are valued, practiced, and passed on to future generations.

Gaelic Affairs does this by:

- Creating awareness of Gaelic language, culture and history and its contribution to Nova Scotia's diversity, community life and economy.
- Working with partners in government, in the community and internationally in other Gaelic regions to strengthen Gaelic language and culture.
- Providing funding support to community groups engaged in Gaelic language and cultural projects.

Attach your Request for Investment as a separate document.

Requests for Investment must comply with the following:

- Must be a registered joint stocks not-for-profit group and/or organization
- Must utilize investment within a full calendar year of the awarding of funds
- The applicant must submit a final report within 60 days following completion of the project. A final report form will be sent from Gaelic Affairs to the applicant.
